## FIELD REPORT 2017

Dear Pastor Ron,

*All Scripture is breathed out by God and profitable for teaching, for reproof, for correction, and for training in righteousness, that the man of God may be competent, equipped for every good work. – 2 Tim 3:16-17*

It's our great pleasure to share with you the praise report of our ministry work for God that you can also give thanks to God and pray more. We recently had outreach trip to Webuye area which was so successful by His grace where we could reach many lives in sharing His love and word. So below is the praise report of our outreach trip to Webuye area:

It is the area and there is big ratio of Christian residents including Muslims. We thank our God that He protected us and helped us to do the **Swahili Bible Distribution** work. Three people went with me who are my friends and they are ministry volunteer partners. Who supports me in prayers.

We started to meet with seekers by dividing into two groups and it was continued from 11:00am to 10:00pm where we met with 60 people and taught them from the word of God. We gave them tracts and distributed **Swahili Bibles**. And we invited them to come and can contact us any time for further teachings. Next day I delivered message at Church. This church welcomed us with great joy. We all had very good time to have fellowship with each other and we prayed for them. 8 people came to confess in front of God for their sins and accepted Him.

We thank our God that we could distribute **Swahili Bibles** in different places.

\* Testimony during the Bible Distribution work in Webuye area: \*

During the bible distribution work ,someone belonging to Muslim community met me and requested me to come to his field and have some time to be with him and pray for them. So I set time with him and after completing the distribution work we left with him for Webuye town which is about 2 hour journey from Lugulu area.He accepted Christ after sharing with him from the Word of God.We had very good time to be with them as God took us in this area and we felt sorry that we had no Bibles to give them but we thanked God that we could share with them the word of God. They were all happy to see us and welcomed us. They requested and invited us to come again to teach them from God's word as they want to learn more. We taught them about Cross and shared how much it is precious one for us. We prayed for them and encouraged them that we will pray for them may He provide Bibles for them. So we are very happy and realizing that God is using us abundantly for his own glory as we all are going to pray for that God provide us more Bibles for this area and we are feeling that God wants to take us back to this area again with more Bibles so that we can send them as we have 90 already requests in our list.

Please pray with us especially for the seekers and for those who have the Bibles in their hands to read so

that God give them wisdom and knowledge to understand it and accept it in their hearts with great joy. We also want to thank you for your prayer support that we could do this outreach successfully for Him. Please continue to pray as you do often.
